

## TIRPUDE CENTRAL SCHOOL

### ANNUAL REPORT

***Happy School memories are the greatest legacy we can leave our learners with...***

TIRPUDE CENTRAL SCHOOL, aims to cultivate the minds of young learners towards the all round development of a child it facilitates sound moral base in the disciplined classrooms, energetic sports session, integrated parameters in education via art, culture, technology, etc. We sow the seeds of the holistic development of the children at an early age.

TIRPUDE CENTRAL SCHOOL, open its door in academic year 2023-2024 and has been focused on delivering quality education ever since. TIRPUDE CENTRAL SCHOOL is a progressive, passionate and purposeful place where independent thinking is encourage and excellence is nurtured. We are a place that embraces learning, encourages deep thinking and takes great pleasure in the pursuit of knowledge and understanding; but most importantly, we want to encourage our boys and girls use their skills and intelligence to benefit society.

#### **Vision and Mission**

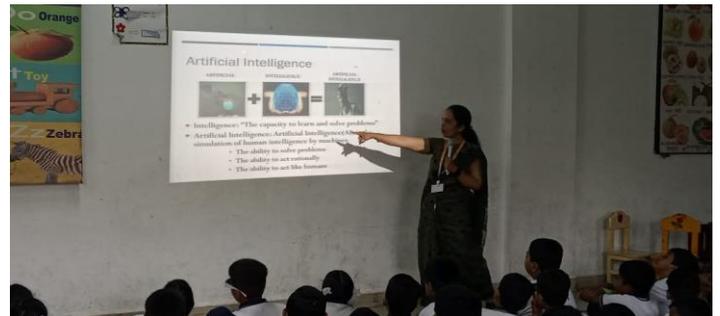

**Mission to aim at inculcating the spirit of high ambitions, healthy attitudes, discipline and multidimensional excellence in the students and strive to mould them to scale new heights and get their mental horizon enlarged through value – based pharma.**

This annual report comprises of the achievements made during the year gone by. At and the same time it sets the path for greater accomplishment in the year to follow.

As a regular practice followed every year, the session 2023-2024 begin with our new implementation i.e. Talent Hunt in these program students of every class participated with their different talent and build up their stage confidence.

The teaching and learning is always a creative and an innovative practice in our school. Our computer department arranged a workshop on Artificial Intelligence for STD V onwards students to give awareness about use of AI in our day to day life and also give some information about networking and give introduction to ROBOTICS.

Tree plantation is done on the occasion of environmental day. This environmental day we planned various activities like tree plantation, Green day rally, slogan competition, handmade craft trees and drawing competition.

The school fosters leadership skills in the young minds and prepares them to be the leaders of the future. It believes in giving the student council an opportunity to learn the basic lessons of control and discipline the second students council was elected democratically through an election. The student council member elected for the academic session 2023-2024 was the energetic and active students in whom the other students and teachers invested their faith and trust. The students' council was sworn in front of school in the investiture ceremony held. The students were encouraged to be honest and truthful leaders who work for the welfare of the society. The enthusiastic members of students council played a pivotal role in managing the events of the school as well as taking care of discipline and welfare of other children. The guidance and motivation provided by the investiture ceremony incharge was great help to all the member of students council.

On the occasion of Independence Day we are organising drawing competition to express their feeling towards nation on drawing paper. Students make various drawings using grains, vegetables, colours etc.

15 August is a special day for Indians as they celebrate Independence Day every year to pay tribute to India's freedom fighters and leaders who fought for freedom. **On this day students performs March pass, and give speech and showing a dance performance to express their thoughts towards Independence Day.**

Lokmat Manch organised a Solo Dance Competition for the students where they strengthen their stage confidence and performance. Where our students participated and performed with exuberance.

Rakhi is a traditional festival to express love to brothers by tying Rakhi. On this occasion girls make different rakhi with craft paper, satin ribbon and pearls etc. And boys make floral bouquet and greeting cards to the sisters.

Lokmat munch conducted singing competition for students to show their hidden talent. Our school students are participated in it. Shrawasti Chauhan, Pakhi Hatwar and many more students.

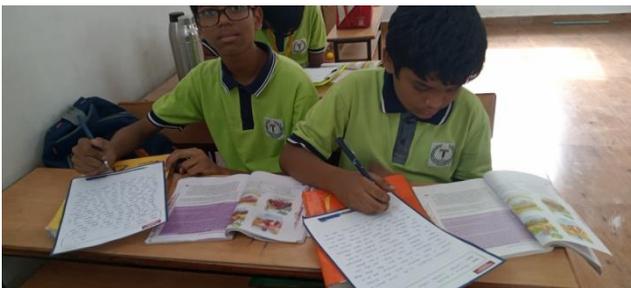

On the occasion of Teachers day students organized a small program to celebrate this day and the chief guest of the program is Mrs. Joseph D'souza to encourage teachers to do their job obediently.

On the occasion of Hindi divas our students perform a skit and give importance of Hindi in our nation.

Apsara writing competition held in our school to encourage students towards neat and clean handwriting.

Reliance trends sponsored drawing competition conducted by Lokmat where our students participated.

We organised an educational trip to Raman Science

Here Science is no more a subject but an experience. Here science is a thing to play with & learn. Here one is free to spend a whole day in play with hands-on exhibits-press lever, turn wheels, roll balls, pull strings, press the buttons, look through the peepholes to make science work & enjoy. One can discover that, here concept of science is different: It is sheer fun.

We organize a seminar related to memory science. In which they are saying that without any rote learning we can retain our learning longer and to remember numbers as well.

State level badminton tournament is organized to show students physical strength our school students participated in it.

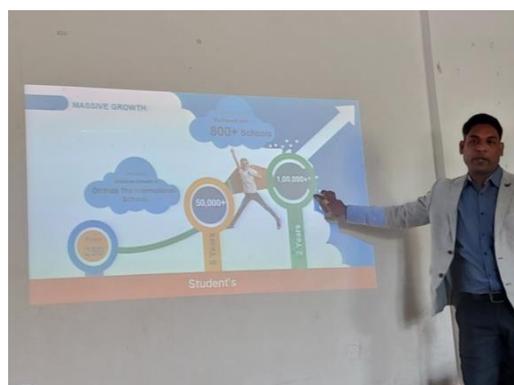

Quiz competition is conducted in our school where students represent their house (Scarlet Red, Sapphire Blue, Emerald Green and Topaz Yellow). In quiz we have 4 rounds (Simple question round, Presence of mind, Buzzer round and subject round).

We conducted it in two groups

1. Std V onwards (The winner house is sapphire)
2. Std III and IV (The winner house is sapphire)

A teacher's workshop is an event for educators that aim to train, inspire and equip them for professional development of growth. OneLern and Eduvate conducted a workshop for teachers.

A fundamental aspect of the program is to express heartfelt gratitude to all the brave hearts (Veers and Veeranganas) that have made the supreme sacrifice. Meri Mati Mera Desh

Children's Day is celebrated in India to raise awareness about the rights, education, and welfare of children. It is celebrated on 14 November every year on the birthday of the first prime minister of India Pandit Jawaharlal Nehru, who was known to have been fond of children.

IPEC workshop – 2023 is attended by Principal of TirpuDe Central School, Miss. Afreen Sayani & Delegates – Miss Afsha Khan & Miss Srushti Khandale on 30 Nov 2023, at Chitnavis Centre, 56 Temple Road, Civil Lines, Near Hislop College, Nagpur.

Our school organises a rally about constitution day the agenda of this rally is to spread importance of constitution and to spread thoughts and ideas of Dr. B. R. Ambedkar.

Reedhan Gulhour, Advel Rao and many more boys going for DSO tournament for playing Futsal Match. The venue of this match is St. Ursula Girls High School.

Fireless cooking is also known as heatless cooking or cold food preparation by adding innovative ideas of students they made interesting food items. Ansh Somkuwar got 1<sup>st</sup> prize for making pedha.

Our school organised a picnic at Dwarka Water Park and Amusement park. Our students enjoyed a lot.

The Electrical workshop is conducted by Raju Sir, this workshop engaged in repair and maintenance of machinery, equipment and apparatus used for the measurement, generation, transmission, storage and utilisation of electric power.

Sports are super important in schools; they promote physical fitness, teamwork, and discipline and instil values related to healthy competition. Our school conducted two day sports meet in which various sports includes such as, 100 m flat race, lemon spoon, sack race, Balloon busting, cricket, Tug of war, relay, long jump, etc. Students participated enthusiastically and achieved ranks according to their performance.

Stitching workshop is conducted for girls organised by Priya Dhanvij Miss and Pinky Yadav Miss, this is about the general information of sewing, and various stitches (chain stitch, cross stitch, decorative stitches, and may more).

Republic Day marks the adoption of India's constitution and the country's transition to a republic on January 26, 1950. This year we celebrate 75<sup>th</sup> republic day with hoisting the national flag and conduct various programs.

Science Exhibition is conducted at Mahila Mahavidyalaya Nagpur, where our school students participated Govind Bhisikar (STD VI) and Ashmira Sheikh (STD VIII). And Govind Bhisikar won 2<sup>nd</sup> prize with the Model- Automatic street light based on vehicle detector.

Our school organised carnival fiesta i.e. annual showcasing in which our students shows various talents they have, in dance, educational exhibition, fete and various game stalls.

The able guidance of the teaching and non-teaching staff gave the direction and motivation to achieve whatever big or small the children could achieve this year. The administrative staff and the housekeeping staff need to be praised for their efforts for maintaining and preparing the institute ready to provide clean and hygienic surrounding for the busy schedule of teaching learning activities.
